

## MISOOL

The heart of the coral triangle, reefs on steroids, the best diving in the world, highest biodiversity in the world.... Only few lines that are used to describe the Diving in Raja Ampat

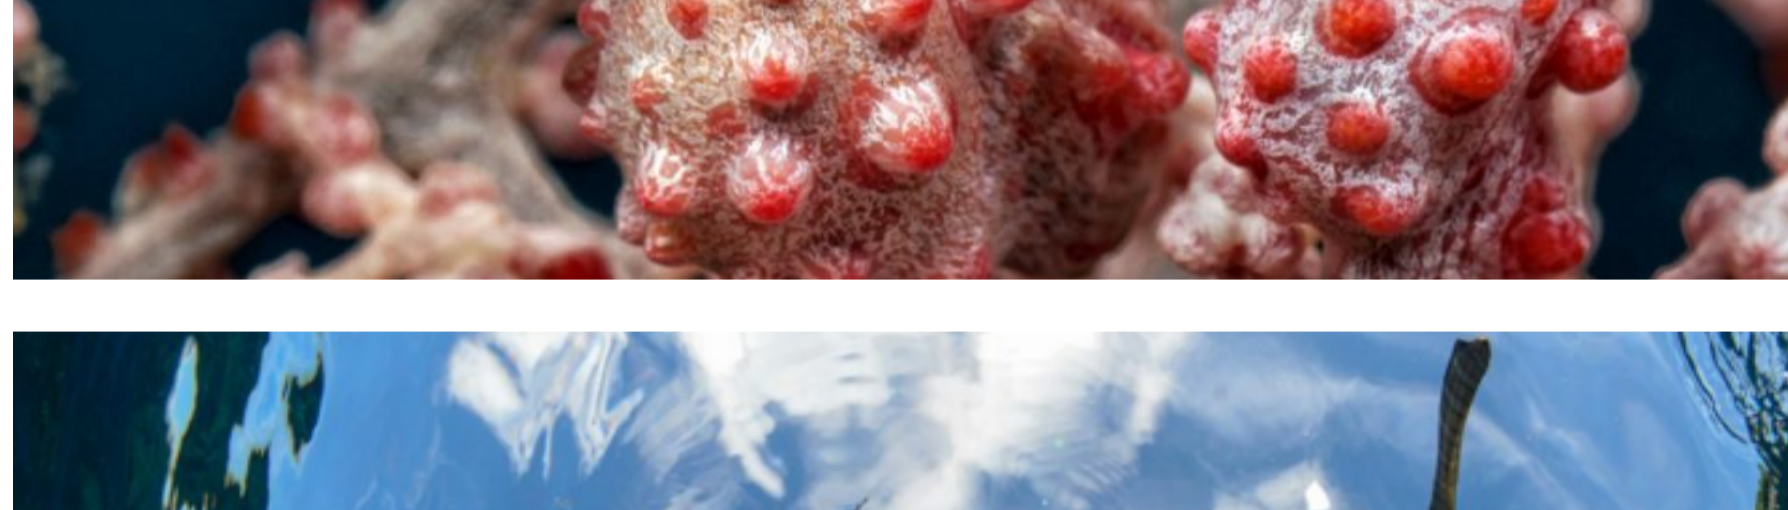

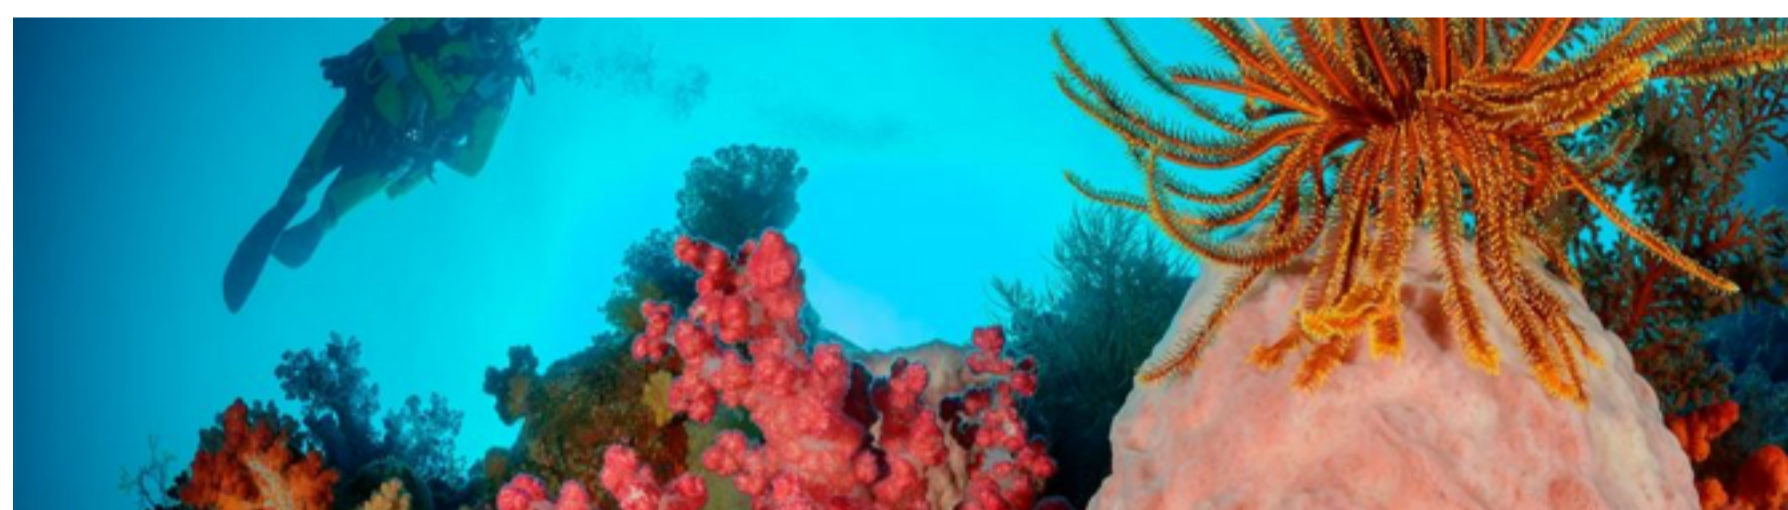

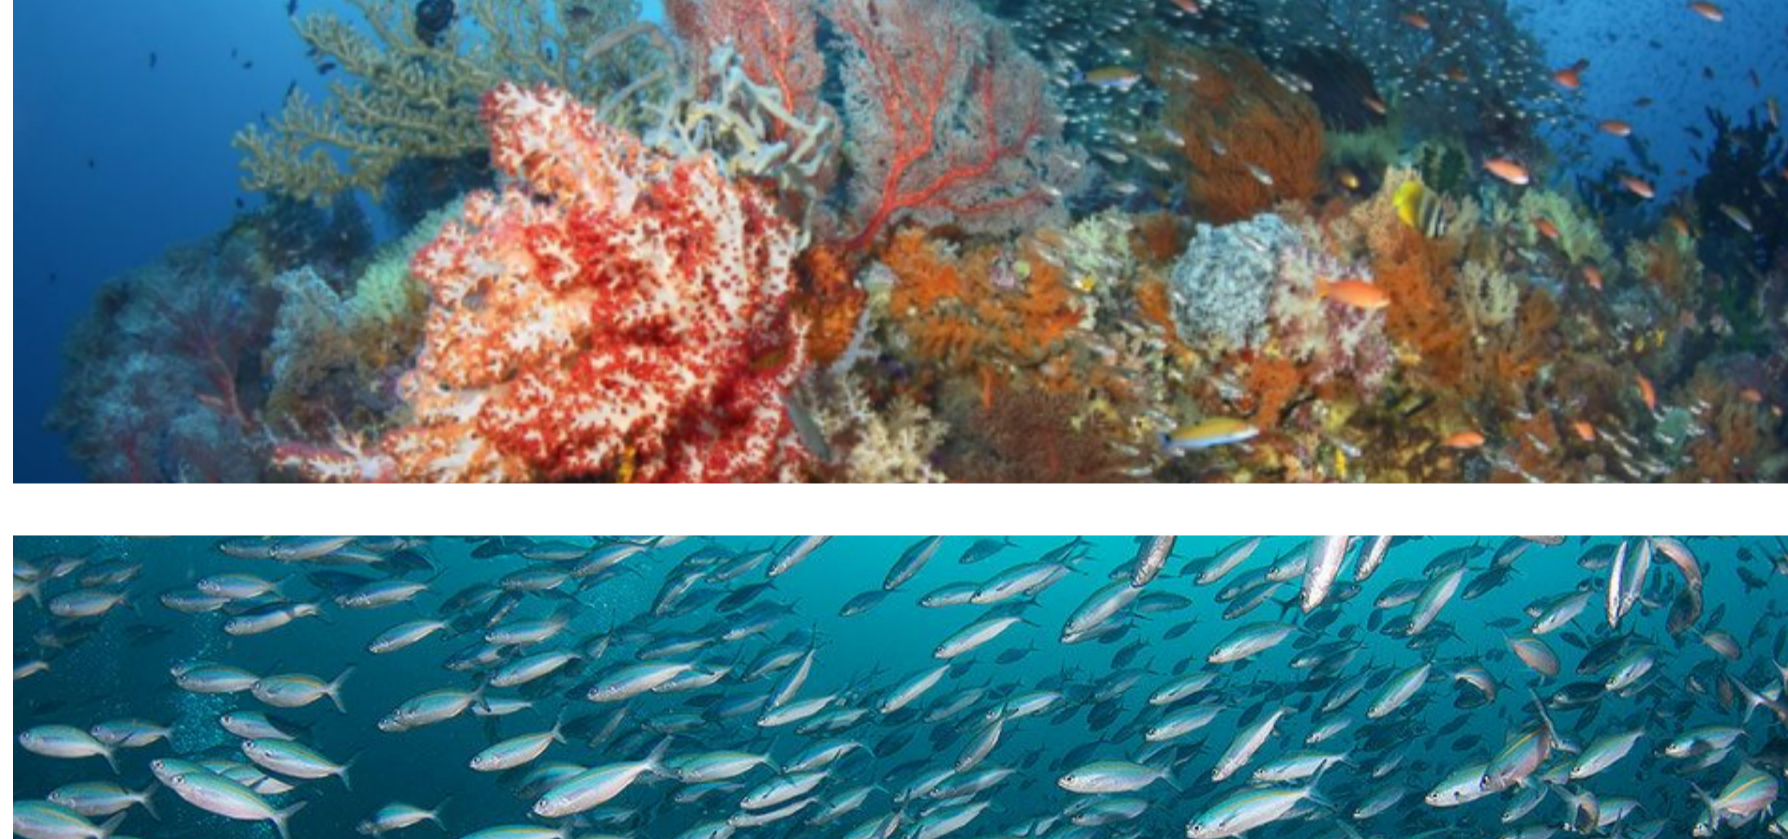

On this tour you will visit some of the best dive sites between Moluccas and Raja Ampat in the historic Banda Islands, as well as the coral and macro-creatures at Misool some of the many attractions found on this tour.

Ambon has the reputation of a great muck diving destination, but also offers beautiful dives. At dive sites such as Air Manis and Laha there are always many extraordinary rare marine creatures to be discovered. At Pulau Tiga you will find beautiful reefs and diverse fish life.

The next destination of the tour are the dive sites at the island of Nusa Laut. Here you always expect an abundance of fish, strong currents, but also magnificent underwater scenery: A treat even for spoiled divers.

One of the best mandarin fish dives, a lava flow with fast-growing corals and an exceptionally beautiful underwater landscape, are all part of the diving experience at Banda Islands. There are many dive sites with large quantities of fish. Of course, we offer a shore excursion to the Banda Islands where we visit the historic forts of the Dutch occupiers.

After a long crossing, we will reach one of the best diving areas of Raja Ampat. At the island of Misool our guests can expect a colorful mix of beautiful reefs, macro-creatures, many fish, sharks and wobegongs, but sometimes also strong currents. Dive sites like Fiabacet and Gorgonian Passage make every diver's heart beat faster. With the high biodiversity ever, this dive site has gained worldwide fame.

## PROGRAM

### Day 1

The Amira crew picks up our guests from the airport or hotel. After a welcome drink, guests check in to their cabins. Afterwards there will be breakfast or lunch, depending on the time of arrival. When all guests are on board and have settled in, a detailed boat and safety briefing will be given by the cruise director. In the afternoon, the general diving briefing explains the process and organization of our diving operations. Usually there are no dives offered on the first day.

### Day 2-10

We offer 3-4 dives daily, including a dusk or night dive if possible. During crossings we offer a maximum of 2 to 3 dives per day.
