AMIRA

Pearls Of Forgotten & Misool - 14 Days / 13 Nights

Saumlaki to Sorong | Forgotten Islands, Banda Sea and Misool

Deep blue clear water and endless reefs with a variety of soft and hard corals set the scene in the Forgotten Islands, in the very far east of Indonesia.

Schooling fish are in abundance, and massive sponges in big numbers, which you may see spawning, make the reefs special.

Reef tops are covered in leather corals and healthy hard coral gardens.

This remote chain stretches from Timor to West Papua, and many of the dive sites can only be reached by boat.

The finish is Misool in Raja Ampat, with a colourful mix of beautiful reefs, macro creatures, many fish, sharks and wobbegongs.

Your itinerary

DAY 1

Boarding

No dives

The Amira crew pick you up from the airport or hotel.
After a welcome drink you check in to your cabin, then have breakfast or lunch, depending on the time you arrive.

ABOUT THIS ITINERARY

This itinerary is the same as our 11 night Pearls Of Forgotten & Misool itinerary, which it is copied from, but with 2 nights more.

With the extra time you spend more time in the hotspots and top areas of the Forgotten Islands and Misool. The day by day plan below is the original 11 night plan, and the extra days are spent diving the same top areas.

DAY 1

Boarding (continued)

No dives

Once everyone is on board, the cruise director gives a detailed boat and safety briefing, and in the afternoon a general diving briefing explains how the diving is organised.
Usually there are no dives on the first day.

DAY 2-6

Forgotten Islands and the Banda Sea

3 to 4 dives a day

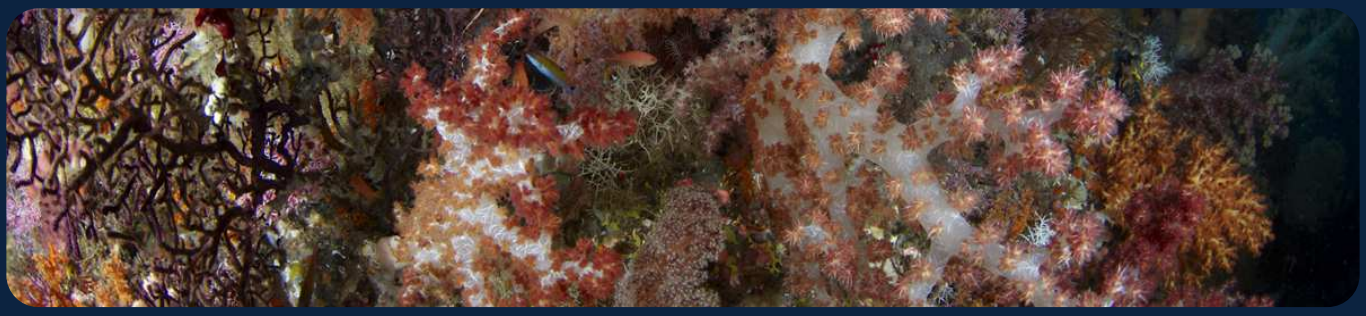

The first part of the trip is in the very far east of Indonesia, in the Forgotten Islands, which stretch from Timor to West Papua.
The dive sites have deep blue clear water, endless reefs with a variety of soft and hard corals and schooling fish in abundance.
What makes the reefs special are the massive sponges in big numbers, which you may see spawning, and the reef tops with plenty of leather corals and healthy hard coral gardens.

DAY 7

Crossing to Raja Ampat

2 to 3 dives

A long crossing takes you towards Raja Ampat, so there are fewer dives, very few night dives and hardly any land excursions.

DAY 8-10

Misool

3 to 4 dives a day

Amira finishes at Misool, one of the best diving areas of Raja Ampat, with a colourful mix of beautiful reefs, macro creatures, many fish, sharks and wobbegongs, and sometimes strong currents.
Dive sites such as Fiabacet and Gorgonian Passage are well known.

DAY 11

Last diving day

Up to 2 dives

The last diving day has a maximum of 2 dives, then the boat cruises to the disembarkation harbour.
Keep to the no-flying rule, pack your gear and settle your bill.

DAY 12

Check out

Check out and transfer to the airport or your hotel, accompanied by the crew.

GOOD TO KNOW

On land and on the way

Forgotten Islands

A remote island chain, only reached by liveaboard.

Sponges

Massive sponges and healthy reef tops.

Misool

Fiabacet and Gorgonian Passage.

Wobbegongs

Sharks and wobbegongs at Misool.

Check in

The Amira crew pick you up from the airport or hotel, welcome you with a drink and show you to your cabin. Check in is possible early in the morning after the first flights arrive, and the latest check in is 11:30 am. If no flight arrives before noon, fly to the port the day before and stay in a hotel.

Check out

The boat arrives in the disembarkation port late the evening before, so check out is possible from midnight until 10:30 am at the latest. The crew take you to the airport or your hotel. If your flight is in the afternoon, they can drop you at a hotel and collect you in time for check in at the airport.

Last dive

The last dive is on the second to last day, with a maximum of 2 dives. Divers should wait at least 24 hours after their last dive before flying, so please keep to the no-flying rule when you book your flight home.
