

ANNE BONNY

Wayag Raja Ampat

Sorong to Sorong | Wayag, Wofo and Cape Kri

The lagoons of Wayag are remote, picturesque and quite stunning.

Blacktip sharks congregate in the lagoon, with reef walls and a manta cleaning station close by.

Mantas glide gracefully among the rocks, and a shark sanctuary at the heart of the archipelago means a meeting with around 20 friendly juvenile sharks swimming by the beach.

The finish is saved for some of the largest concentrations of big fish in Raja Ampat, with schools of trevallies, barracudas, sweetlips, tuna and snappers, and oceanic mantas.

DAY 1

Embarkation (continued)

1 Dive, Mioskon - the "Bat" Island, Beach Bonfire

We will aim to depart by 11 am (or when the last guest is onboard) and head 5 hours north to Waisai.
This will allow time for you to get acquainted with the ship, set up your dive gear & cameras, and meet and socialise with the other guests and friendly crew before an afternoon check dive.
You will spend the night close to Waisai at a safe anchorage on the Mioskon dive site.
For the sunset, we visit Mioskon island's white sand beaches and watch the sunset go down as swarms of flying foxes depart on the night's adventure.

DAY 2

Wayag Lagoons

3 Dives, Lagoon Exploration and Trekking

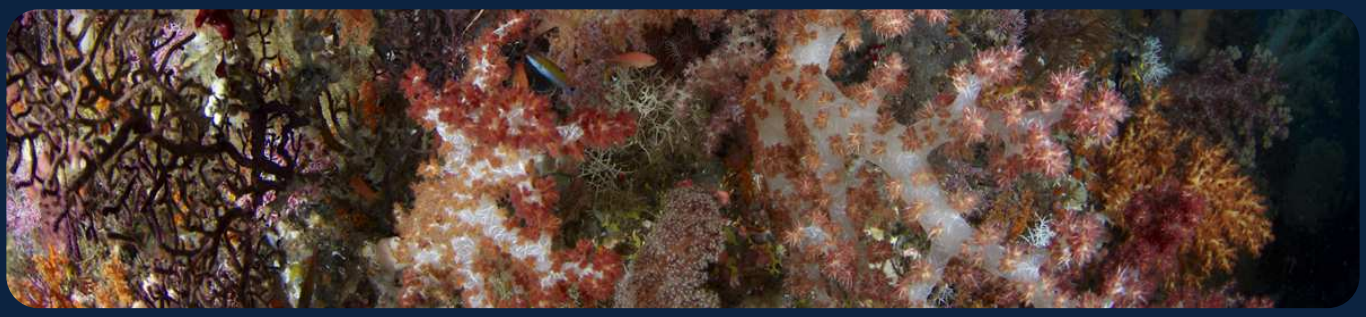

As the sunrises, we arrive at the picturesque and famous Lagoons of Wayag.
We will anchor within this stunning remote lagoon system.
Blacktip sharks congregate around the hull, and we have access to reefs walls and even a Manta cleaning station.
The afternoon will be spent exploring the incredible Lagoon area, diving, snorkelling, travelling by kayak, paddleboard or speed boat.
Here, we can ascend and trek to a vantage point on Mount Pindito, where you will get a 360° panoramic view of the spectacular landscape and, if lucky, the shapes of mantas revealed in the shallow turquoise waters below.
We will enjoy sunset on the private secluded beach in giant bean bags enjoying music and cold drinks.

DAY 3

Wayag

3 Dives, Diving with Manta Rays, Shark Sanctuary

In the morning, we dive into our secret Manta cleaning point to observe this graceful animal gliding amongst the rocks.
Before lunch, we will go to the Shark Sanctuary in the archipelago's heart.
Here you will have a meet with around 20 friendly juvenile sharks swimming by the beach and dive the Jetty and surrounding reefs.
After the beach and ranger station, we will navigate through sunset, around 5 hours to Wofo Island.

DAY 4

Wofo

3 Dives and Beach BBQ

We start the day with an early navigation to the Wofo Island area.
Here, in the morning, you will dive at Wofo's Black Forest, a stunning dive traversing the deep black fan landscape rising to a beautiful and pristine shallow reef.
The second dive is a Wofo Tembok (a wall dive) and finally, Teman Wofo.
The evening will be spent on a secluded beach, experiencing one of Anne Bonny's famous beach BBQ parties, where you relax on our giant bean bags under a pagoda, whilst being served up our chef's delicious BBQ.
Explore the beach, meet the local hermit crabs and indulge in a glass of wine as music is played and fireworks light the night sky.

DAY 5

Blue Magic /Cape Kri

2 Dives, Diving Blue Magic ,Cape Kri and Beach Afternoon

We save the very best for the last.
During our final diving day, we discover two fabulous dive sites: Blue Magic and Sardine Reef.
Both of these sites offer some of the largest concentrations of big fish in Raja Ampat.
Large schools of trevallies, barracudas, sweetlips, tuna, and snappers congregate on these sites.
Oceanic Manta can also be seen at Blue Magic.
In the afternoon, we have time to relax on one of Kri's secluded beaches before raising the sails and making navigation back to Sorong, where we arrive later in the evening.
