KOMODO TO ALOR_ACROSS THE FLORES SEA

10 NIGHTS CRUISING ITINERARY

Komodo to Alor - across the Flores Sea

“This voyage is designed for curious and adventurous travelers seeking both natural beauty and cultural discovery. We’ll leave behind the pace of modern life to explore the remote Flores Sea, where colorful coral reefs, thriving marine ecosystems, and a kaleidoscope of tropical fish create a spectacular underwater world”

Experience the wonders of the Coral Triangle through snorkeling, swimming among vibrant coral gardens and encountering the rich diversity of marine life that makes this region truly extraordinary.

Above the water, the cruise brings you close to the islands’ multicultural coastal communities. Enjoy the relaxed ambiance of their villages, and watch master weavers create intricate ikat or tenun – a captivating glimpse into their timeless way of life.

Our journey starting from Komodo National Park, home to the world’s largest lizards. Here, dramatic landscapes, diverse marine life, and rich cultural encounters combine to create an unforgettable adventure, leaving memories that will last a lifetime.
