# Central & South Atolls

## Central & South Atolls of the Maldives: An Unforgettable Diving Adventure

Join Dune Black Manta Liveaboard for a spectacular journey through the Central and South Atolls of the Maldives. Dive into vibrant coral reefs where you'll encounter manta rays, whale sharks, and schools of colorful reef fish. The pristine waters and diverse marine life make these dive sites some of the most captivating in the region.

In the Central Atolls, experience the thrill of diving in South Male Atoll with its rich marine life and occasional shark sightings, drift dives in Vaavu Atoll, and the chance to see gentle giants in Ari Atoll. Each site offers unique underwater landscapes and an abundance of species, from pelagic wonders to intricate reef dwellers.

The South Atolls, including Laccadive Atoll and Haa Alif Atoll, provide less frequented dive sites where you can explore untouched coral reefs and encounter rare species. When you're not diving, enjoy an incredible Dune Black Manta Massage, immerse yourself in the beauty of the Maldives, and relax on a beautiful beach. This adventure combines exciting diving with cultural discovery for a truly unforgettable experience.

# 10 NIGHTS

## CENTRAL SOUTH ATOLLS ROUTE ITINERARY

### DAY 1 HULHUMALÉ

Dune Representative will pick you up at Malé International Airport and bring you to the main boat. Enjoy a drink while listening to our Cruise Manager welcome briefing. Dinner will be served in the evening and you will spend the first night at Hulhumalé marina.

### DAY 2 NORTH MALE TO SOUTH MALE

The trip will start by discovering the dazzling long reefs in North Malé Atoll. Corals are abundant here, giving home to plenty of reef fish and small species. After the day, we will cruise to Vaavu Atoll for an unmissable night dive. There's nothing as exciting as watching nurse sharks, sting rays, and jacks in their feeding frenzy.

### DAY 3 SOUTH MALE TO VAAVU ATOLL

The trip will start by discovering the dazzling long reefs or a manta point (May to Nov only) in North Malé Atoll and South Malé Atoll. Corals are abundant here, giving home to plenty of reef fish and macro species. After the dive, we will cruise to Vaavu Atoll for an unmissable night dive. There's nothing as exciting as diving with nurse sharks, sting rays, and jacks in their feeding frenzy.

*\*Route is given as an example and is submitted to weather conditions and can be modified*

# 10 NIGHTS

## CENTRAL SOUTH ATOLLS ROUTE ITINERARY

### DAY 4 VAAVU ATOLL TO FAAFU ATOLL

Small caves, large overhangs, drop-off walls, and sloping reefs covered with corals can be found in Vaavu Atoll. Titan triggerfish are common. Larger marine life such as grey reef sharks, white tip reef sharks, tunas, and barracudas are also found here. Some were even lucky enough to encounter hammerhead sharks !

### DAY 5 FAAFU ATOLL TO SOUTH ARI ATOLL

In the outer reefs of Faafu Atoll, explore the channels to see grey reef sharks, white tip reef sharks, schools of jacks, bigeye trevallies, and barracudas. Moving north to South Ari Atoll, you will dive on beautiful pinnacles and observe bigger marine life. Dive into this aquarium offered by Mother Nature, finally meeting the stars of the trip. If we are lucky, we will even be able to watch a whale shark at night time feeding in the plankton soup at the back of the boat !

### DAY 6 SOUTH ARI ATOLL

In the marine protected areas, our first stars, the mighty whale sharks regularly show up. Our crew will search for their presence and allow you a chance to snorkel or even scuba dive with them. Lucky or not, there are also many thilas and some wrecks in South Ari Atoll. Grey reef sharks, napoleon wrasse, moray eels, scorpionfish are definitely to be found here. Exploring Maldives is also setting foot in paradise. Our crew will lead a visit to the nearby local island just before dinner.

*\*Route is given as an example and is submitted to weather conditions and can be modified*

# 10 NIGHTS

## CENTRAL SOUTH ATOLLS ROUTE ITINERARY

### DAY 7 SOUTH ARI TO NORTH ARI ATOLL

Cruising never stops, moving up to North Ari Atoll while taking a last chance to get a close look at whale sharks. In the north, channels are wider and the ocean is deeper. We will meet some more stars here. The currents attract many grey reef sharks, white tip reef sharks and even other large pelagic fish. When night falls, you will be invited ashore again and indulge yourself in the barbecue dinner prepared by our crew on a nearby desert island.

### DAY 8 NORTH ARI ATOLL

Multiple manta cleaning stations, extraordinary thilas and wreck with rich marine life are the highlights of this area of Ari Atoll. You will also find eagle rays, hawksbill turtles, napoleon wrasse, school of blue-stripe snapper, batfish, and fusiliers here. The day will end with a manta night dive. Admire the enormous manta rays feeding right in front your torch.

### DAY 9 NORTH ARI ATOLL TO RASDHOO ATOLL

The combination of pelagic life and remarkable underwater landscapes in North Ari Atoll is irresistible. You may also dive on the beautiful reefs in Rasdhoo Atoll, observe the magnificent manta rays and experience a fascinating encounter with hammerhead. Drift among schools of fish while still keeping an eye on your preferred pelagic stars.

*\*Route is given as an example and is submitted to weather conditions and can be modified*

# 10 NIGHTS

## CENTRAL SOUTH ATOLLS ROUTE ITINERARY

### DAY 10 RASDHOO TO MALÉ NORTH

In North Malé Atoll you will find stunning long reefs, small caves, colourful corals with prolific marine and reef life once again. Take a closer look at the squirrelfish, bannerfish, oriental sweetlips, frogfish, and nudibranchs. In the afternoon you will come back to Hulhumale marina to spend your last night on board.

### DAY 11 HULHUMALÉ

The trip is arriving at the end. Our crew will arrange the transfer to the airport once you have had your breakfast on board. We are also glad to help you plan for the day and booking for accommodations. Time to come back home with fantastic memories!

## 10 NIGHTS TRIP

# GREEN COMMITMENT

Our company is proud to have obtained the Manta Trust, Green Fins & Sulubaa'i labels, testifying to our commitment to the environment with actions such as:

- Develop education programs for local communities
- Protect manta rays/mobulas through research, education, and collaboration
- Participate in beach and ocean cleanups
- We are committed to protecting marine life and we anchor most of the time, but never on the reef always on sand.
- Collect data to help understand marine litter.
- Avoid all chemicals and toxic products that could enter the ocean from our boat.
- Protect Sharks through research, education and collaboration

## OUR VALUES

We believe that we have a responsibility to protect the underwater biodiversity and we are determined to do this. We teach all our divers environmentally responsible expedition techniques to minimize our impact on the marine environment. We also educate our guests on environmentally friendly expedition practices. Beyond the marine environment, we are also committed to eco-responsible behavior on our boat, which is partly built with renewable materials. We reduce our water and energy consumption through resource-efficient practices. We also offer local and seasonal meals to limit the importation of international products. By traveling with us, you will be maximizing your contribution to the preservation of the Indonesia environment for future generations. Come and discover the underwater wonders in a responsible way.

## Our Partnerships:

# PRACTICAL INFORMATION

To start your incredible diving adventure, we have compiled some essential information to help you prepare. This includes details on diving requirements, various accommodation options, dining choices, and airport pick-up services. Whether you're an experienced diver or new to the sport, knowing these key points will ensure you have a smooth and enjoyable experience. Read on to find out everything you need to know before you dive into this unforgettable journey.

## DIVER'S LEVEL

Level 2\* CMAS or AOWD with 30 dives is required. Open Water Divers must obtain AOWD at the start of the cruise to comply with local regulations.

## FOOD

On board, both local cuisine and international menus will be served.

## ACCOMMODATION

Accommodation is based on double shared cabin. Beds in some cabins can be moved to form a double bed or 2 single beds. A supplement is charged for single use of a cabin. Cabins categories (standard, superior or seaview) are subject to different tariffication if pre-booked.

## VISA & TRANSFERS

A DUNE Maldives representative will meet passengers at the airport with a "DUNE" sign, just outside the arrival hall. For Malé cruises, transfers to the boat are via Dhoni from the airport marina (20 minutes). The first transfer is at 2 pm, and the return transfer is after breakfast on the last day.
