BLACK MANTA

Central & South Atolls, A Taste Of The South

Male to Male | North Male, Vaavu, Meemu, Faafu, South Ari, North Ari and Rasdhoo

LENGTH	DEPARTURE PORT	ARRIVAL PORT	EXPERIENCE
11 days / 10 nights	Male	Male	30+ dives, AOWD

Join Black Manta for a spectacular journey through the Central and South Atolls of the Maldives, and dive into vibrant coral reefs where manta rays, whale sharks and schools of colourful reef fish are waiting for you. The pristine water and the rich marine life make these some of the most captivating dive sites in the country.

In the Central Atolls you can look forward to South Male Atoll with its busy reefs and the odd shark, exciting drift dives in Vaavu Atoll and the chance to meet the gentle giants of Ari Atoll. Every site has its own underwater landscape and an abundance of life, from pelagic visitors to the tiny, intricate residents of the reef.

Further south the dive sites are visited far less often, so you can explore untouched coral reefs and spot rare species. When you are not diving, enjoy a massage on board, soak up the beauty of the Maldives and relax on a beautiful beach. It is a trip that mixes exciting diving with island life for a truly unforgettable experience.

Highlights of the ten nights include channel dives, manta hotspots, a chance of whale sharks and a beach barbecue on a local island.

Black Manta is a 42 metre liveaboard with 15 air-conditioned en-suite cabins on three decks for up to 28 guests, a jacuzzi, a massage area on the sundeck, a cocktail bar and a camera station.
