MALDIVES BLUE FORCE 3

Central, Vaavu and Meemu Atolls

Male to Male | North Male, South Male, Felidhoo, Ari, Vaavu and Meemu

The central atolls of the Maldives with Vaavu and Meemu added, on a longer route from North Male through Ari.

Drift dives in the channels and on the thilas bring pelagics, grey, white-tip and black-tip reef sharks, eagle rays, tuna, turtles and schools of colourful fish, with hammerheads and dolphins on some days.

Manta cleaning stations, a wreck full of life and the chance to snorkel or dive with whale sharks are all on the route.

Two of the best night dives in the Maldives are on the list, one with mantas and the other with dozens of nurse sharks.
