

BLUE MANTA

Ambon, Banda and Ambon

Ambon to Ambon | Ambon and the Banda Sea

Crossing the Banda Sea and tracing the perimeter of its islands leads to remote, almost untouched places with wonderful reefs and stunning drop offs.

The Banda Islands have excellent visibility, fantastic coral coverage and tremendous numbers of fish, with potential hammerhead sightings and a visit to one of the Spice Islands.

Out in the Ring of Fire, volcanic islands and stunning seamounts hold many sea snakes, huge schools of fish, reef sharks, tunas and other pelagic superstars.

Marine life is in abundance, from macro critters to big fish favourites such as manta rays.

Muck diving in Ambon opens and closes the trip.
