## Overview

Our Central Komodo itinerary combines spectacular diving with the wild, untouched beauty of Indonesia’s most iconic national park. This route explores both North and South Komodo, offering dramatic underwater scenery, pristine coral reefs, and close encounters with the legendary Komodo dragons. Perfect for shorter trips or those seeking a balanced mix of adventure and comfort.

### IDEAL FOR:

Divers and snorkelers who want to explore world-class reefs, encounter big marine life, and experience the best of Komodo both above and below the surface – all within a manageable itinerary

### DIVING HIGHLIGHTS:

- ✓ Current-swept pinnacles with schooling fish, sharks, and pelagics
- ✓ Coral gardens and sloping reefs full of macro life
- ✓ Famous dive sites like Batu Bolong, Manta Point, and Tatawa Besar
- ✓ High biodiversity – nudibranchs, frogfish, reef sharks, mantas & turtles
- ✓ Manta cleaning stations and drift dives through narrow passages

### FOR SNORKELERS:

This is a very snorkeler-friendly route – most dive sites have shallow reefs rich in life, perfect for surface exploration. Manta Point is a highlight for both snorkelers and divers alike.

### BEYOND DIVING:

- ✓ Land excursion to Rinca or Komodo Island to meet the world-famous Komodo dragons
- ✓ Scenic anchorages, pink beaches, and sunset treks
- ✓ Small island stops for swimming, kayaking, or relaxing on the sand
