Central Raja Ampat - 7 Days / 6 Nights

Sorong to Sorong | Piaynemo, Arborek, Manta Ridge and Kali Biru

Central Raja Ampat gathers the best known diving of the region into one trip, from the limestone islets of Piaynemo to the manta cleaning stations of Manta Ridge.

Reefs here are described as an underwater mosaic, with peaks and reefs around Piaynemo, a jetty dive at Arborek and an optional night dive.

Mantas come to be cleaned on the days the trip calls its Manta Adventures.

Above the water, a climb to the top of Piaynemo in the late afternoon looks out over the limestone islands.

The trip closes with a swim in Kali Biru, the Blue River.
