EMPEROR HARMONI

Raja Ampat & Forgotten Islands aboard Emperor Harmoni

Sorong to Tual or Tual to Sorong | Misool and the Forgotten Islands

The Forgotten Islands are a remote chain in the Moluccas on the eastern side of the Banda Sea, where you share the sites with very few divers.

Wall dives and seamounts bring schooling bumphead parrotfish and big pelagics, with trevally, barracuda, hunting tuna, hammerheads and reef sharks.

Before the journey east, southern Raja Ampat adds islands, iconic rock formations and abundant marine life, and Misool ranks third on REEF's list of the most species-rich dive sites in the world.

The Pisang Islands mix walls, current-swept seamounts and coral gardens.

The last dives are on seldom-dived reefs with clear water, among the Kei Islands.
