

EMPEROR HARMONI

Raja Ampat & Triton Bay aboard Emperor Harmoni

Sorong to Kaimana or Kaimana to Sorong | Misool and Triton Bay

Whale sharks are the draw in Triton Bay, part of the 6,000 sq km Kaimana Marine Protected Area, and they are often seen around the local fishermen's bagans.

Schools of barracuda and jacks share the water with endemic species, including the Triton Bay walking shark.

Southern Raja Ampat comes first, with pristine reefs, dense schools of fish, manta rays and turtles, and a chance of whale sharks at Misool.

Aiduma adds vibrant coral and dramatic underwater terrain.

On land there is a beach barbecue at Misool, a swim in its lagoons and a visit to the Kiti Kiti waterfall.
