

EMPEROR RAJA LAUT

Alor & Banda Sea aboard Emperor Raja Laut

Maumere to Ambon | Alor, Wetar, Gunung Api and the Banda Islands

Alor and the Banda Sea mean remote diving, with strong currents that bring big fish and a world of marine life.

Kalabahi Bay is famous for muck diving, with rare critters such as frogfish, mimic octopus, fire sea urchin and the elusive rhinopias.

The seldom-dived waters around Wetar have walls and reefs well away from any other boats, and one day is spent diving around an active volcano.

A remote seamount can show hammerhead sharks, depending on conditions, and Alor has a chance of dolphins and whales.

The Banda Islands close the trip, with a nutmeg plantation, historic forts and a small maritime museum.
