

EMPEROR RAJA LAUT

Raja Ampat & Banda Sea aboard Emperor Raja Laut

Ambon to Sorong | Banda Islands and Raja Ampat

Pelagic action and hopefully hammerheads greet the dives around the Banda Islands, the original Spice Islands.

A sunset dive among them is for watching mandarin fish.

Then the route turns east to southern Raja Ampat, arguably home to some of the best dive locations anywhere in the world, with colourful pristine reefs and abundant fish life.

Central Raja Ampat follows, with a chance of manta rays and pelagic action, copious fish life and mysterious critters.

Between dives there is a half day visit to the nutmeg plantation, the historic forts and the small maritime museum, in islands that were once the only source of nutmeg and mace in the world.
