

JAKARE

Spice Island

Ambon to Ambon | Nusa Laut, Suanggi and the Banda Islands

Hammerhead sharks are the great draw of this Banda Sea route, with schools of them on pinnacles and slopes.

In the Banda Islands, mobula rays and dogtooth tuna join the hammerheads, and the harbour has mandarin fish.

Further out, pinnacles rise in the middle of the Banda Sea with hammerheads and other pelagics.

Slopes and walls with healthy reefs make for superb diving and snorkelling.

On land, the fort and museum of Banda Neira tell the story of the only place where nutmeg grew.
