JAKARE

Spice Island - Raja Ampat

Ambon to Sorong | Nusa Laut, Banda Islands, Koon and Misool

This route crosses the Banda Sea from the spice islands to the south of Raja Ampat, and the diving changes character all the way.

Hammerhead sharks, mobula rays and dogtooth tuna patrol the Banda Islands, where a fort and museum recall the history of nutmeg.

At Koon, fusiliers, surgeonfish, giant trevally, large groupers and sharks gather, and manta or mobula rays sometimes appear.

Then comes Misool, with gorgonian fans, mantas and big fish life.

The final days are among hidden lagoons and limestone mounts, with pinnacles, canyons and drop-offs below.
