

KOMODO SEA DRAGON | LIVEABOARD

Komodo National Park

Labuan Bajo to Labuan Bajo | Komodo National Park

8 days / 7 nights

About 21 dives

Komodo Sea Dragon

Seven nights is the full Komodo trip, with about 21 dives.

It adds Manta Alley and the macro-rich sites of Nusa Kode to the northern pinnacles and the southern reefs.

You also get a sunrise climb on Padar, the dragons and the flying foxes at the end.

DAY BY DAY

Your week on board

A sample plan. Sites, timings and the number of dives change with weather, sea conditions and the captain's decisions.

DAY
1

Labuan Bajo

2 dives

Meet the crew, settle into your cabin and join the safety briefing. A relaxed check dive follows, then your first night dive.

DAY
2

North Komodo

Up to 4 dives

Current-swept sites with big schools and plenty of open-water fish. A night dive then goes after small creatures.

DAY
3

Central and West Komodo

Up to 4 dives

Famous reefs and dramatic pinnacles, with a chance of mantas. There is some beach time before another night dive.

DAY
4

South Komodo and Padar

Up to 3 dives + trek

A trek on Komodo Island brings you face to face with the dragons. More dives on beautiful coral formations follow, and the day ends with a night dive.

DAY
5

Manta Alley and Padar

2 dives + trek

Begin with a sunrise climb on Padar. Then make two dives around Manta Alley, where the mantas often show up, and finish with a night dive.

DAY
6

South Komodo, Nusa Kode

Up to 4 dives

Macro-rich sites, big overhangs and wide coral plateaus. One night dive is included.

DAY
7

Central Komodo

2 dives + sunset

Your last two dives, finished by 12:00 pm. At sunset you watch the flying foxes leave Kalong Island, and the boat returns to Labuan Bajo.

DAY
8

Labuan Bajo

No diving

Breakfast on board, then transfers to the airport or your hotel. There is no diving today, because of the wait before flying.

GOOD TO KNOW

On land and on the way

Sunrise on Padar

An early climb to watch the sun rise over the bays.

Komodo dragons

A guided walk on Komodo Island to see the dragons in the wild.

Flying foxes

Thousands of bats leave Kalong Island at sunset.

Check in

Pick-up is from Komodo Airport (LBJ), Labuan Bajo or your hotel. Please be at the harbour by 12:00 pm. We set off once every guest has arrived.

Check out

Disembark by 10:00 am. The boat is back in Labuan Bajo the night before, and group transfers run to the airport and local hotels.

Last dive

Your final dive is the day before you leave, finished by 12:00 pm. Keep 18 to 24 hours free of diving before any flight.
