## **Day 6-10**

Once arrived in the Komodo National Park Area we will visit and dive the following spots (2/3 dive per day)

- Gili Lawat and Darat
- Batu Balong
- Makassar straight
- Castel Rock
- Pantai Merah – Batu Tiga / Golden Passage
- Rinca
- Siaba Island

In addition to diving day-time, we'll offer a night dive every day if conditions are favourable.

The dramatic underwater landscape with its great walls is home to an incredible variety of sea life and corals. Sharks, giant trevallies, unicorns, rainbow runners, turtles, barracudas and napoleon wrasse.

We will also encountered mantas, turtles, eagle rays and white tip and black tip reef sharks/ It's also a great site for snorkelling. We will dive a beautiful coral garden and we will meet crocodile fish lie on the scenic reef alongside a host of reef fish and schooling barracuda, nudibranchs.

We will trek half hours to see the legendary prehistoric lizard Komodo Dragons.

### **Day 11 Labuan Bajo - Departure day**
