

ONDINA

All Komodo

Labuan Bajo to Labuan Bajo | Komodo National Park

Komodo National Park, with time for the whole park, from the straits between Komodo and Rinca to the bays of the south-east and the famous submerged ridges of Padar.

A pinnacle rising from the depths concentrates large amounts of sea life, and secret submerged pinnacles are covered in soft corals, with large schools of fish.

There are colourful reefs, reef sharks, lots of turtles, and an underwater mountain literally covered in marine life and invertebrates.

Night dives take in the wreck of a wooden schooner cargo ship.

It ends at sunset with the daily migration of hundreds of fruit bats.

Your itinerary

DAY 1

Labuan Bajo

Check dive + night dive

Transfer to the boat on arrival, with a welcome drink and time to settle into your cabin.
Two dives outside Labuan Bajo, at Sebayor: a check dive in the afternoon and a night dive.

DAY 2

Komodo and Rinca straits

Three dives + night dive

Three day dives in the straits between Komodo and Rinca, at spectacular sites like Batu Bolong, a pinnacle rising from the depths that concentrates large amounts of sea life, and the Tatawa islands.
Night dive in Wainilu.

DAY 3

Pulau Tengah and Pulau Siaba

Dive + night dive

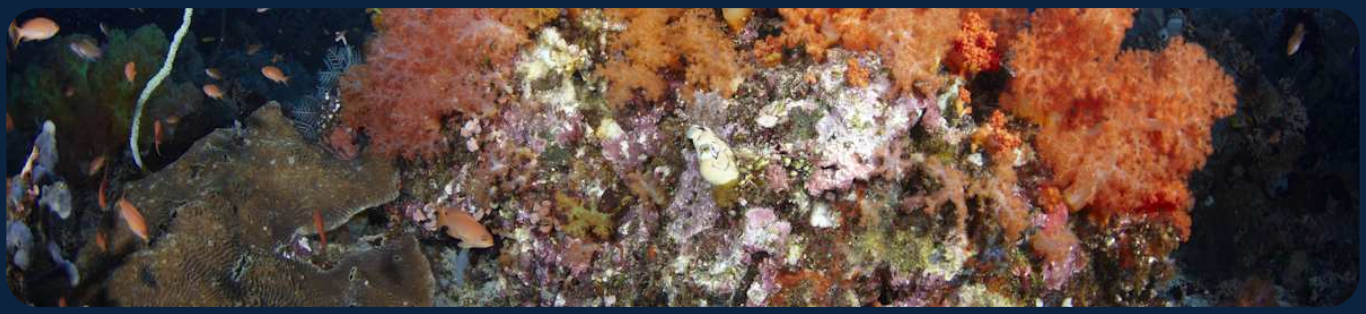

An early morning walk in the Komodo National Park, followed by a dive at Pulau Tengah.
The afternoon and night dives are at Pulau Siaba, with lots of turtles and other interesting encounters.

DAY 4

South Komodo

Full diving day

A full diving day in south Komodo, at famous sites like Manta Alley and other secret submerged pinnacles covered in soft corals, with large schools of fish.
Night dive on the wreck of a wooden schooner cargo ship.

DAY 5

Gili Motang

Dives

Dive around the Gili Motang islands and their satellite rocks and islets, pristine reefs that are only accessible during the north-west monsoon.

DAY 6

South-east Rinca

Full diving day

A full day of diving in the bays south-east of Rinca, with colourful reefs, schools of fish and reef sharks.
Night dive inside Nusa Kode bay.

DAY 7

Nusa Kode

Four dives + night dive

Four dives at Nusa Kode, on world famous sites such as Cannibal Rock, an underwater mountain literally covered in marine life and invertebrates, and Yellow Wall and Boulders.
Night dive in Torpedo Bay.

DAY 8

Pulau Padar

Full diving day

A full diving day at Pulau Padar, diving the famous submerged ridges of Three Sisters, the labyrinth of canyons and caves at Pilarsteen, or the cryptic site of Secret Garden.
In the afternoon you climb to the viewpoint, and the night dive is at a small wrecked barge covered in invertebrate life.

DAY 9

Last dives and fruit bats

Two dives

The last two dives are in the morning, usually repeating favourite sites such as Batu Bolong or Tatawa, or alternatively new sites around Padar.
At sunset you see the daily migration of hundreds of fruit bats, and then sail back to Labuan Bajo to prepare for departure the next morning.

DAY 10
