

ONDINA

Raja Ampat & Kai Islands - 11 Days / 10 Nights

Sorong to Tual | Misool, Pulau Pisang, Mommon and the Kai Islands

Misool in Raja Ampat has some of the most colourful reefs in the region, and this trip spends extra time in the top areas of Raja Ampat and the Kai Islands.

Blacktip sharks have their nursery on a beach, and the classic sites of Misool come back day after day.

Out at Mommon, soft and hard corals, huge schools of bigeye jacks and surgeonfish, reef sharks and quite often mantas fill the water.

Further on, pristine coral gardens and lots of fish populate the reefs around Kurkap.

The Kai Islands are low and sandy, with a very long stretch of powder white beach fringed with coconut trees.
