

ONDINA

Raja Ampat & North Banda Sea - 11 Days / 10 Nights

Sorong to Ambon | Misool, Pulau Koon, the Banda Islands and Ambon

Hammerheads and other pelagics patrol the deep walls of the Banda Sea, which are hung with giant sea fans and massive barrel sponges and busy with thick schools of fish.

This trip spends extra time in the hotspots of Raja Ampat and the North Banda Sea.

Colourful reefs in Misool come first, then the remote walls of Koon where a sandy plateau faces a deep trench and draws large masses of fish.

The Banda Islands are the historic Spice Islands, with a reef that local villagers have protected since old times so that fish can spawn.

Ambon closes the trip with a vast array of critters and oddities.
