ONDINA

Triton Bay & Kai Islands - 12 Days / 11 Nights

Tual to Tual | The Kai Islands, Mommon and Triton Bay

Pristine reefs and powder white beaches in the Kai Islands, and the lush soft coral gardens of Triton Bay, make a loop with extra time in the top areas.

Early in the morning at the fishing outriggers of Triton Bay, whale sharks come to feed on scraps from the night catch of little anchovies.

At Mommon, literally everything is possible, with soft and hard corals, huge schools of bigeye jacks and surgeonfish, reef sharks and often mantas.

Seamounts off Pulau Bui draw plenty of fish and common encounters with larger animals.

Ancient rock art in the straits of Namatote is the finishing touch.
