

PINDITO

Biodiversity Cruise

Maumere to Ambon | Flores, Alor, Wetar, Banda Sea and Raja Ampat

From the volcanic island chain of the Banda Sea to the vibrant coral reefs of Raja Ampat, home to some of the rarest species on earth, the scenery changes completely above and below the water.

Around Maumere the diving is amazing and diverse, with pipefish, seahorses, frogfish, nudibranchs, barracuda and batfish, which the crew calls blue water muck diving.

Alor has lush cliffs and slopes, and its north coast has a lot of current and big fish.

The west coast of Wetar has drop offs and colourful reefs, with few other divers and schools of large fish.
