

PINDITO

Triton Bay

Ambon to Kaimana | Triton Bay, Pulau Pisang and Momon

Triton Bay, on the coast of West Papua, is a remote corner of Indonesia, with just one resort and the occasional liveaboard.

Soft corals in bold colours cover the reefs, with plenty of fish among them.

Above the water there are waterfalls to photograph, channels to cruise and islands shaped like bananas.

Whale sharks sometimes visit the fishing platforms and dolphins join the boat, though sightings are never guaranteed.

The cruise ends in Kaimana, with a slice of coral paradise far from the usual diving holiday.
