

WINE & DINE

Restaurant

Scubaspa's internationally trained chefs cater to all tastes and dietary requirements with a varied selection of gourmet cuisine served in the spacious al fresco restaurant.

Our chefs expertly combine the unique flavors of this tropical island paradise with traditional European and Mediterranean cuisine. You'll enjoy three buffet-style meals daily, complete with live cooking stations. A carefully curated global selection of wines and Champagnes complements your meals.

Culinary delights range from local catch of the day, finest lamb and beef, and Asian specialties to flaming crêpes Suzette and sizzling tapas. There's even an authentic sushi bar. Indulge in the freshest seafood, the juiciest cuts, and an array of tropical fruits and vegetables. Fresh, cooked-to-order lobster is also available at a small additional cost.

Dining onboard our yachts is an unforgettable experience. Enjoy breakfast while watching the sunrise, relax in the sun over a leisurely lunch, and indulge in a one-of-a-kind dinner under the stars.

Bar

Our sleek, welcoming bar is located adjacent to the restaurant, facing the stern and opening onto the shaded lounge deck with access to the bathing platform.

Choose from an extensive selection of fine wines and Champagnes, or indulge in one of our exotic cocktails handcrafted by skilled bartenders. A wide range of branded beers, spirits, cordials, and liquors is available, and a daily happy hour heralds the perfect end to a perfect day.

BBQ

What could be a better highlight of your Scubaspa vacation than a moonlit BBQ on a stunning desert island?

Mingle with other guests and sip drinks on a picture-perfect sandy beach, with azure blue water gently caressing the shoreline and the day's catch on the grill. Savor fresh food, good company, and the pure magic of the Maldives.

Special Occasions

Scubaspa's talented chefs are delighted to prepare celebrations for birthdays, anniversaries, engagements, weddings, or any other special occasion.

Our priority is to help you create long-lasting memories. Want a private dinner on a separate deck with an à la carte menu? No problem. Champagne cocktails at sunset for a proposal? We can do that, too. Just let us know what you have in mind!
