CENDERAWASIH BAY

7 NIGHTS SAMPLE ITINERARY

NABIRE - BIAK

DISCOVER UNDERWATER HAVEN OF CENDERAWASIH BAY

Cenderawasih Bay is a true paradise for divers, boasting vibrant coral gardens, dramatic drop-offs, and WWII wrecks that combine history and natural wonder.

The highlight here is the rare, year-round chance to swim with majestic whale sharks—an experience few places can offer.

On the surface, the bay's beauty remains captivating, with lush rainforests, mangroves, and serene white-sand beaches. This hidden gem is also home to rare birds like the Bird of Paradise, offering a peaceful retreat into the heart of nature.

DAY ONE

Upon your arrival in Nabire, you'll be warmly welcomed aboard Scubaspa ZEN. Take your time to settle in and get comfortable. As you explore the vessel and familiarize yourself with its amenities, we'll begin our journey towards the first breathtaking destination.

In the evening, while enjoying dinner in the open-air restaurant on the upper deck, our cruise manager will introduce you to the crew and provide an overview of the vessel.

DAY TWO

Experience the striking beauty of Teluk Wororomi, also known as Whale Shark Bay. The local fishing platforms attract a range of ocean giants, providing a rare opportunity for close encounters with these remarkable creatures.

After a brief orientation, divers and snorkelers can explore the underwater world, where they can observe the resident whale sharks up close. Watch as these gentle giants feed on bait fish, moving gracefully through the water, unbothered by the presence of visitors.

DAY THREE

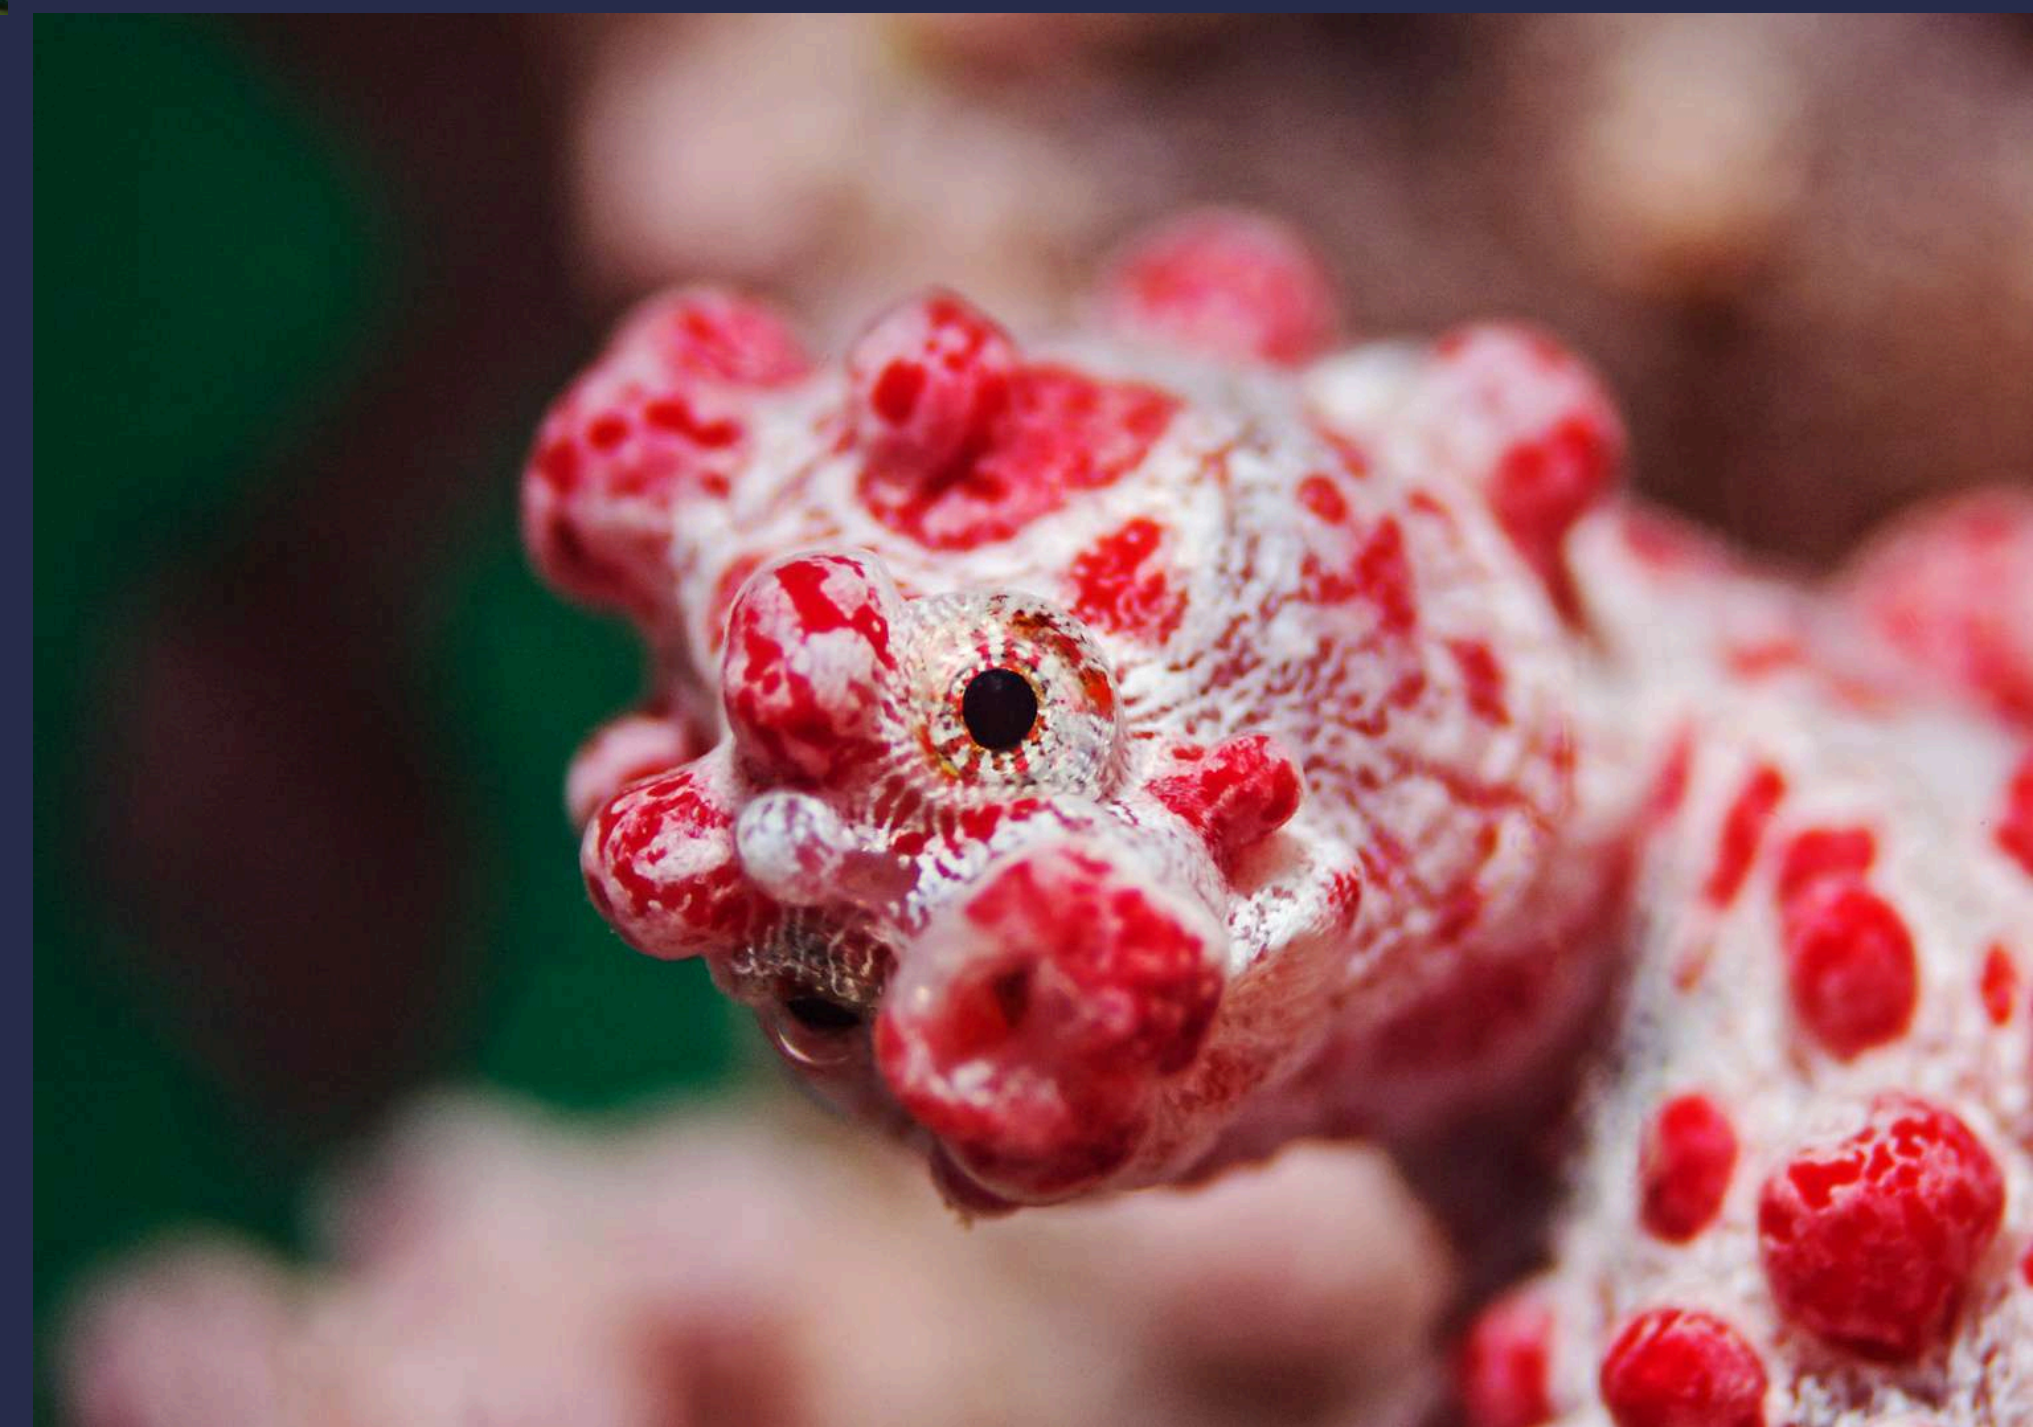

Discover the wonders of Tanjung Manguar and Nusir Island, where a stunning underwater world awaits. Dive along a breathtaking wall adorned with vibrant corals, teeming with diverse marine life.

Encounter unique endemic fish species and be captivated by the sight of blackfin barracuda schooling gracefully among magnificent sponges and soft corals, creating an unforgettable underwater spectacle.

DAY FOUR

Embark on an exciting day of critter diving at Roon, where colorful creatures like Boxer Crabs, Notodoris nudibranchs, and Popcorn Shrimp await. Discover a Tridacna Clam nestled in sandy patches.

In the afternoon, visit a local village to experience the warmth and curiosity of the people. The day concludes with two more dives, where you might spot Pygmy seahorses or explore a downed Japanese fighter aircraft in the reef.

DAY FIVE

Journey to the outer atolls of the National Park, where some of the region's most spectacular diving experiences await. Explore dive sites like Wild Fish Ridge and Spag Point, teeming with endemic species.

Discover a hidden gem on a picture-perfect island, where downed American fighter aircraft lie beneath the waves, ready to be explored by divers and snorkelers alike.

DAY SIX

Awake on Manim Island and dive into Cenderawasih Bay's rich history, where WWII relics await exploration. Discover the sunken American Thunderbolt fighter and Japanese Zero Fighters in Manokwari, a former Japanese stronghold.

Explore depths of 4 to 25 meters, surrounded by vibrant reefs and sandy slopes, as you uncover these powerful remnants of the past.

DAY SEVEN

Nestled south of Biak, the western tip of Yappen Island offers a pristine reef teeming with vibrant marine life. As you snorkel through these crystal-clear waters, expect encounters with graceful sharks by the reefs and maybe even Eagle Rays.

This is a perfect moment to indulge in our 5-star spa aboard. Pamper yourself as we sail towards the airport, making your final day with us truly unforgettable.

DAY EIGHT

As your adventure draws to a close, we will escort you to Biak Airport and assist you with the check-in procedures.

We hope you leave with cherished memories of the incredible experiences you've enjoyed in Cenderawasih Bay, one of the world's most renowned dive destinations.
