THE ROUTE

An outline of the cruise

This is an outline of the route. The detailed day plan, sites and timings are set by the captain and the dive team to suit the weather, the tides and the guests on board, and are confirmed before you sail.

THE DIVING

How the diving is organised

The dive centre is a dedicated dive boat with plenty of room, well equipped dive stations, several entry points, a toilet and shower and a sun deck platform. Dives are tailored to each diver's level, with beginners and experienced divers both looked after, and up to four dives a day are possible. Courses run from introductory dives to advanced and Nitrox certification, with multilingual instructors.

Dives are limited to 40 metres. A dive computer is compulsory, diving alone and decompression dives are not allowed, and night dives and dives deeper than 18 metres are for advanced certified divers. Many sites have strong currents, so good buoyancy control is needed.

THE SPA

Treatments at the quiet end of the boat

The five star spa sits at the stern, the quietest part of the yacht, and welcomes couples as well as solo guests. The menu offers Balinese, Swedish, Shiatsu, sports, hot stone and Hawaiian Lomi Lomi massage, aromatherapy, foot reflexology, a back and shoulder massage, facials, body scrubs and masks, an after sun aloe vera treatment, a foot scrub, and a Dive Delight massage designed for after a dive.

The products are made exclusively in Bali for the boat, from organic ingredients, botanical extracts and essential oils. Yoga is held every morning on the sun deck.

ON THE TABLE

Food, drink and celebrations

Breakfast and lunch are buffets, and dinner is an à la carte menu served in the al fresco restaurant on the main deck. Live cooking evenings blend Asian, Mediterranean and Continental cuisine, and the chefs share the recipes so you can recreate them at home. Special diets are looked after.

The bar, next to the restaurant with views from the bow, serves wines, champagnes and handcrafted cocktails, with a happy hour every day. Beach barbecues are held on a deserted island, and the team plans birthdays, engagements and anniversaries, from a private dinner under the stars to sunset cocktails.

PACKAGES

CONDITIONS

Season, water and what to expect

Raja Ampat lies in the heart of the Coral Triangle and is protected as a marine park, with limestone islands, mangroves, bird of paradise treks and the most diverse reefs on earth. Water temperatures run between about 27 and 29 degrees, with strong and fast changing currents on many sites, so the diving suits intermediate to advanced divers. A 5 mm full wetsuit is recommended, because four dives a day can leave you chilled. The main season runs from October to April.
