

Equatorial Maldives – Male to Male

50+ dives recommended and AOWD or equivalent + Nitrox qualified

Program

10+ nights - South Male Atoll - Felidhu Atoll - North and South Nilandhoo Atolls - Meemu Atoll – Thaa Atoll - Laamu Atoll.

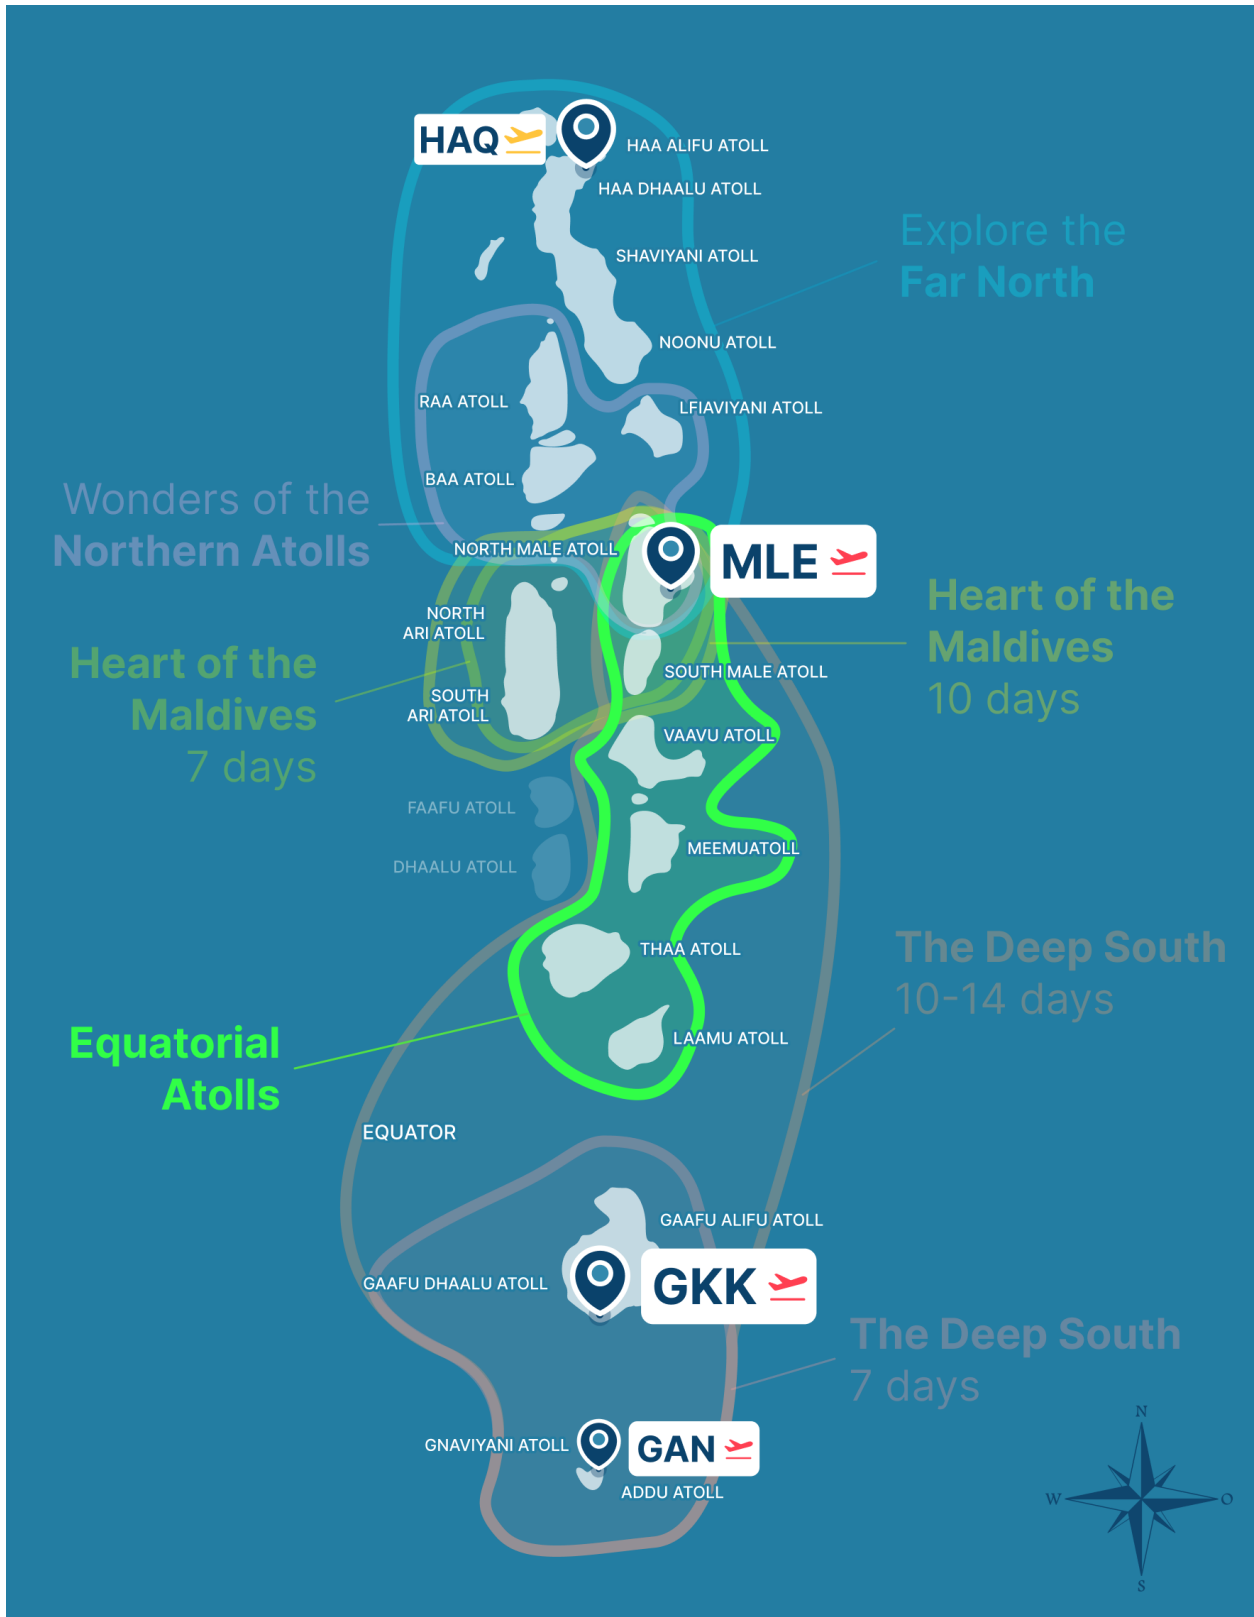

You'll embark on a captivating journey venturing 60 to 140 miles south of Male to explore a cluster of five major atolls teeming with islands, reefs, sandbars, and thilas, each brimming with spectacular dive sites.

Your Equatorial trip offers flexible itineraries, guiding you through the best of the central atolls on your voyage down and back to Male.

You'll dive into thrilling channels alive with sharks, eagle rays, and vast schools of snapper and jackfish, while marveling at the vibrant corals of Thaa and Laamu Atolls and the graceful manta cleaning stations of Meemu Atoll.

Even after years of exploration, hidden gems still await, promising endless opportunities for adventure. Available year-round upon request, you'll find the richest experience on a 10-night trip, giving you ample time to immerse yourself in the extraordinary beauty of the Maldives' southern realms, crafting memories that linger long after you surface.
