

Heart of the Maldives

50+ dives recommended and AOWD or equivalent + Nitrox qualified

Program

7 - 10 nights + - North Male Atoll - Rasdhu Atoll - Ari Atoll - Felidhu Atoll - South Male

You'll set sail on a 7 or 10 night Heart of the Maldives adventure (Sometimes called the Best of the Maldives or the Central Atolls) aboard the Spirit of Maldives, diving into the vibrant central atolls that have long enchanted divers with their underwater allure.

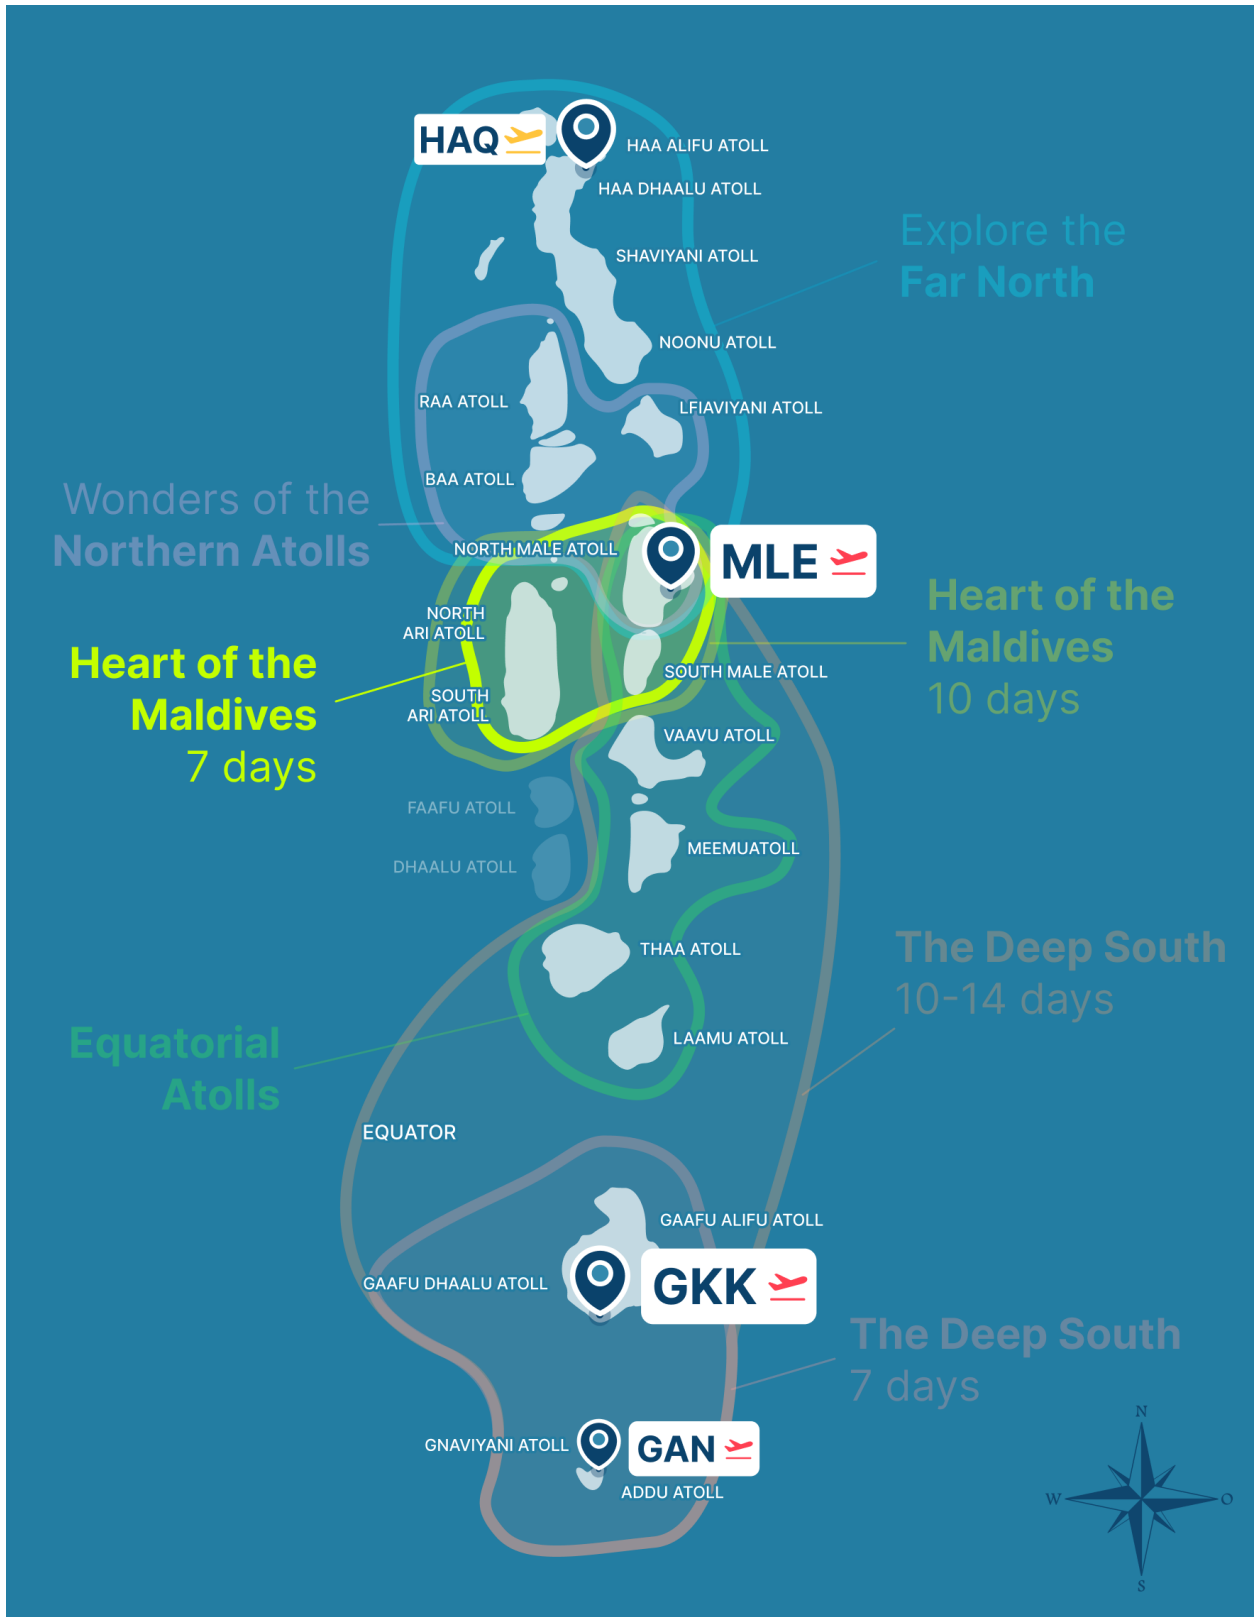

This itinerary promises a thrilling array of shark dives, scenic coral gardens, and diverse marine wonders, from manta cleaning stations to blue and yellow soft coral caves and lively pinnacles.

You'll explore favourite whale shark and hammerhead sites, and experience exhilarating night dives, often encountering sharks and mantas beneath the stars, with so much to discover that disappointment is simply not an option.

Opting for the 10 night journey grants you greater flexibility in routing, allowing you to venture further afield with more time to dive and explore.

If conditions permit, your trip may extend to Baa Atoll, where, from May to October, you can snorkel in the UNESCO-protected Hanifaru Lagoon, marvelling at the huge gatherings of mantas and whale sharks—a truly unforgettable spectacle in the heart of the Maldives' aquatic wonders.
