Divers looking for an absolute exploration of the Maldives should look to these epic voyages that take you from Male, through the central atolls south to the Equatorial region or vice versa.

Take a look at the itineraries for Heart of the Maldives, Deep South and the Equatorial Atolls above to get an idea of the type of diving to expect en-route.

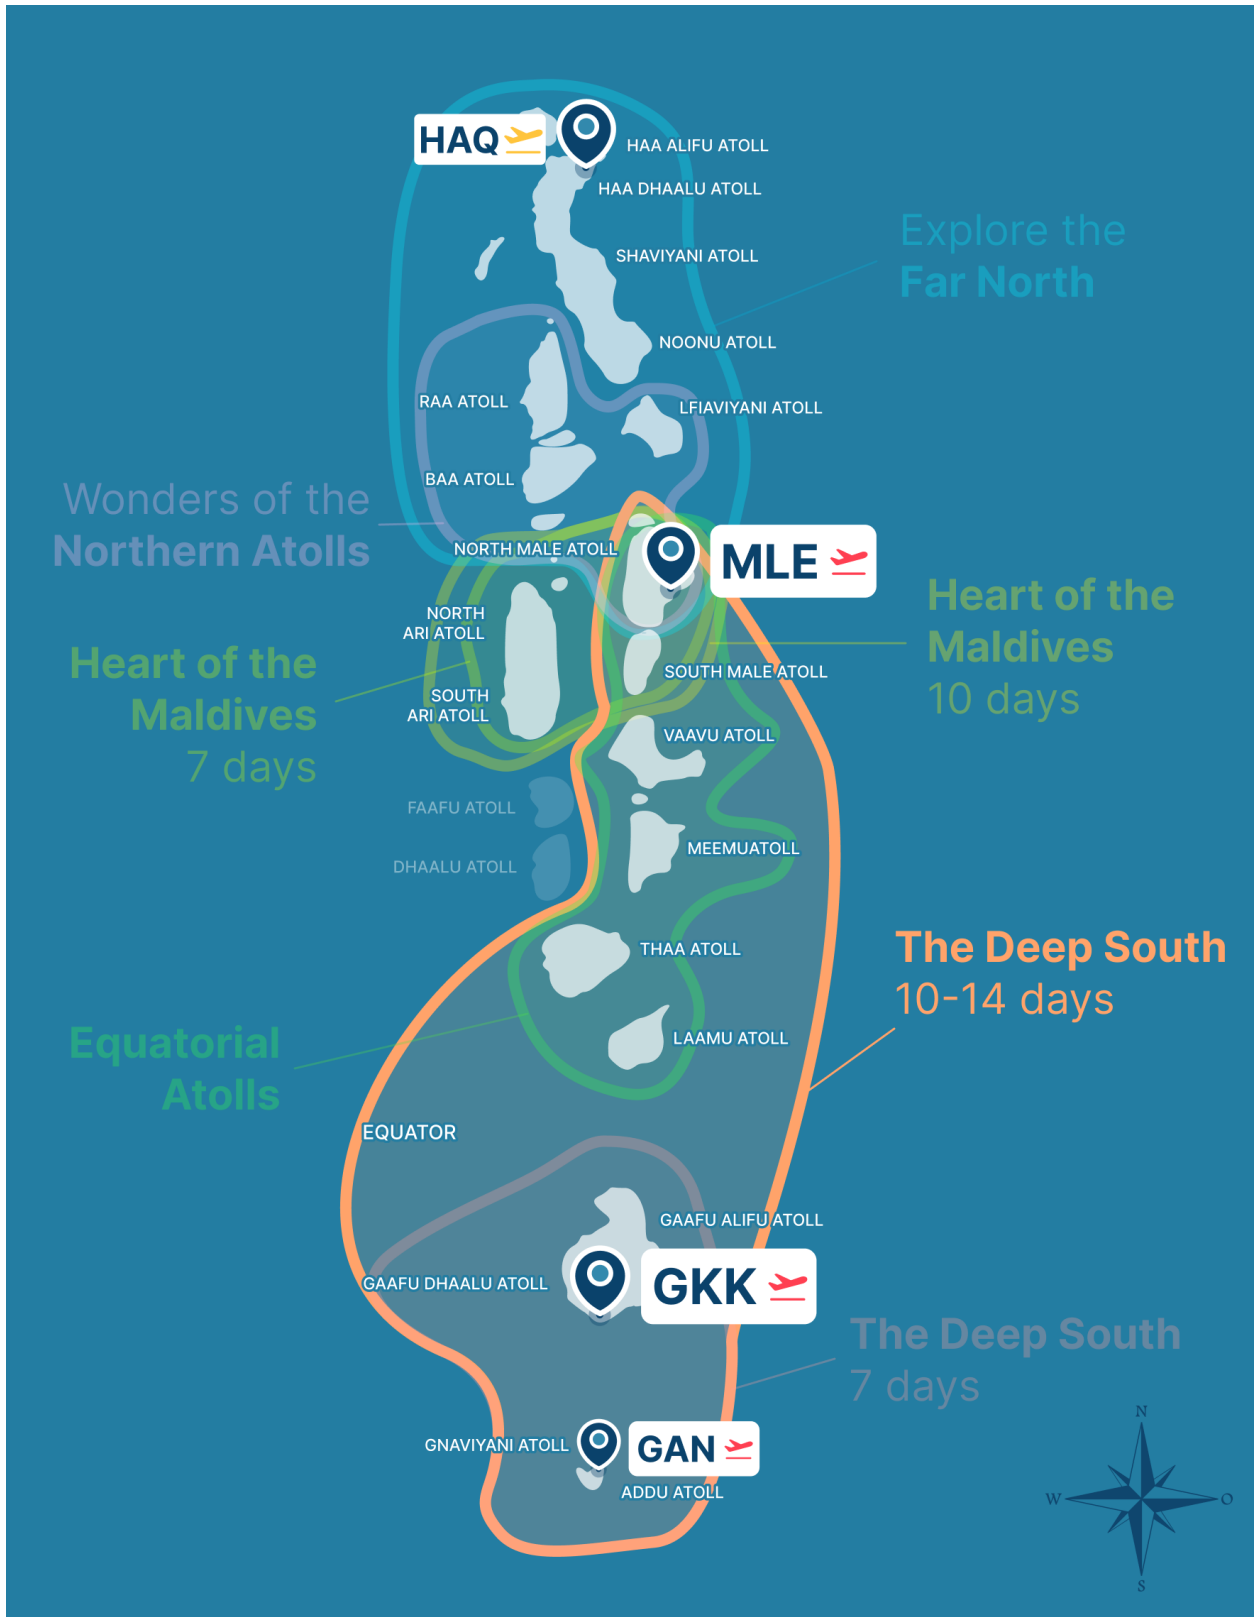

This is a spectacular smorgasbord of stunning, exhilarating diving of all types.

A one way domestic flight to or from either Kooddoo or Gan is required for this trip, flights are with Maldivian Aero.

This itinerary is recommended for experienced divers, as the currents in the channels can be strong. Join us as we embark on a journey to the southernmost reaches of the Maldives, where every dive promises an adventure of a lifetime.

Nitrox is highly recommended.
