Triton Bay to Raja Ampat in 12 nights

Kaimana to Sorong | Triton Bay, Fak Fak, Pulau Pisang, Misool, Pianemo and the Dampier Strait

In Triton Bay friendly whale sharks show up in the early morning at a fishing village, to be fed by the fishermen, and you can snorkel beside them.

Spectacular coral gardens hide underwater caves and tunnels, and the soft corals hold ghost pipefish, blade shrimp, a camouflaged candy crab and the elegant walking shark.

Wobbegong sharks rest in a shallow passage by day, and flasher wrasses of many species put on a show on every dive.

Misool has vertical walls with amazing soft coral cover and schools of platax and snapper, and the Dampier Strait finishes with giant manta rays, as majestic and impressive as they come.

Your route

STOP 1

Day 1

This day marks the beginning of your cruise with us to Triton Bay.
Departure from the port of Kaimana where you can board our Phinisi and take possession of your cabin!
Depending on your departure time, you'll do a check dive in the afternoon.

STOP 2

Day 2

To begin our cruise, we will bring you to our very first spot called Larry’s Heaven or Little Komodo.
This site is famous for its spectacular coral gardens, and its underwater caves and tunnels that hide in the coral reefs.
White Rocks is a perfect site for an afternoon or night dive.
Look in the soft corals, you might find one of the most camouflaged crabs in the sea, the Candy Crab.
You will also have the opportunity to see the elegant walking shark.

STOP 3

Day 3

For our third day, we'll be sailing to Bo's Rainbow.
Around this small rock on the surface, you will be looking for ghost pipefish and blade shrimp in the black coral bushes.
In the shallows, there is a passage that offers a perfect place for wobbegong sharks to rest during the day.
Next, head to Flasher Beach.
The name Flasher Beach comes from the amount of different species of flasher wrasse that you can encounter on each dive.
If you are lucky, you may see the endemic Parachieilinus nursalim of Triton Bay.

STOP 4

Day 4

Head to Mai Island of Namatote.
We will start this day by visiting a small village called Mai off the island of Namatote.
The friendly whale sharks will show up in the early morning to be fed by the fishermen!
We can take advantage of the presence of these amazing wonders of the sea to observe them while snorkeling.
It is an unforgettable experience to live !

STOP 5

Day 5

We sail to Fak and Momon Island.
In Fak, there is a nice waterfall and a small cave where the boat will take you.
This dive will offer you the discovery of various gobies, hard and soft corals and usually fusiliers playing around and a nice school of yellow snappers.
Then we will make our next dive at Mommon, a small peninsula in Sanggala Bay.
Beautiful creatures, as well as healthy corals in the shallow waters await you.
At Tanjung Papisoi, you can visit a nice village on the big island or dive with a lot of species.

STOP 6

Day 6

To start the day, we will sail to Pulau Pisang, which also means banana island.
You will have the opportunity to swim with many elephant ear sponges, large gorgonians and different soft and hard corals in the shallow waters.
But this place is very special for one thing because you can find Jamal's dolphin.
It is also a good place to look for different anthias, gobies and fusiliers.

STOP 7

Days 7, 8 and 9

Welcome to Misool!
We will continue these three days in the East of Misool with three dives: No contest, Love Potion, and 3 rocks.
You will be able to see rocks with vertical walls, amazing soft coral cover, a large variety of fish including schools of Platax and Snappers as well as humpback Parrotfish.
Encircled by high cliffs, we will bring you to the Hidden Lagoon, where we can see and hear the birds before nightfall.
Heading to South-East of Misool!
These dive sites include Boo Rocks (two large rocky openings that completely pierce the island), Fiabacet and Fantasea.
The density of fish and the explosion of colors make it breathtaking.
Then, we set sail to Pianemo during the night.

STOP 10

Day 10

Our destination of the day is Pianemo.
After breakfast, we will dive on the site of Melissa’s Garden, famous for its variety and density of corals Then, we will dive on the site of Galaxy, a beautiful reef which houses abundant underwater life.
In the afternoon, we will head to the island of Penemu for a short walk to a beautiful viewpoint in a star-shaped lagoon.

STOP 11

Days 11 and 12

We will spend our next 2 days in Dampier Strait and the area around.
First, we will bring you to our very first spot called Blue River.
The Blue River at Dampier is a natural wonder, with its crystal blue waters.
Some stand-out sites include Blue Magic and Mike's Point We will have the chance to dive with the giant manta rays, as majestic and impressive as they are.
We will also visit the famous Arborek Village of Raja Ampat and it’s local culture and people.
