Your day by day itinerary

Itinerary Day 1

- This day marks the beginning of your cruise with us to **Triton Bay**. Departure from the port of Kaimana where you can board our Phinisi and take possession of your cabin!
- Depending on your departure time, you'll do a check dive in the afternoon.

Itinerary Day 2

- To begin our cruise, we will bring you to our very first spot called **Larry's Heaven or Little Komodo**. This site is famous for its spectacular coral gardens, and its underwater caves and tunnels that hide in the coral reefs.
- **White Rocks** is a perfect site for an afternoon or night dive. Look in the soft corals, you might find one of the most camouflaged crabs in the sea, the **Candy Crab**. You will also have the opportunity to see the elegant walking shark.

Itinerary Day 3

- For our third day, we'll be sailing to **Bo's Rainbow.**
- Around this small rock on the surface, you will be looking for **ghost pipefish** and **blade shrimp** in the black coral bushes. In the shallows, there is a passage that offers a perfect place for **wobbegong sharks** to rest during the day.
- Next, head to **Flasher Beach**. The name Flasher Beach comes from the amount of different species of **flasher wrasse** that you can encounter on each dive. If you are lucky, you may see the endemic **Parachieilinus nursalim** of **Triton Bay**.

Itinerary Day 4

- Head to **Mai Mai Island of Namatote.**
- We will start this day by visiting a small village called Mai Mai off the island of Namatote.
- The friendly **whale sharks** will show up in the early morning to be fed by the fishermen! We can take advantage of the presence of these amazing wonders of the sea to observe them while snorkeling. It is an unforgettable experience to live !

Itinerary Day 5

- Day 5, we'll be sailing to **Fak Fak** & **Momon Island**
- In Fak Fak, there is a nice waterfall and a small cave where the boat will take you.
- This dive will offer you the discovery of various **gobies**, hard and soft corals and usually **fusiliers** playing around and a nice school of **yellow snappers.**
- Then we will make our next dive at **Mommon**, a small peninsula in **Sanggala Bay**. Beautiful creatures, as well as healthy corals in the shallow waters await you.
- At **Tanjung Papisol**, you can visit a nice village on the big island or dive with a lot of species.

Itinerary Day 6

- To start the day, we will sail to **Pulau Pisang**, which also means **banana island**. You will have the opportunity to swim with many **elephant ear sponges**, **large gorgonians** and different soft and hard corals in the shallow waters. But this place is very special for one thing because you can find **Jamal's dolphin**.
- It is also a good place to look for different **anthias**, **gobies** and **fusiliers**.

Itinerary Day 7, 8, 9

- Welcome to **Misool**!
- We will continue these three days in the East of Misool with three dives: **No contest, Love Potion, and 3 rocks**. You will be able to see rocks with vertical walls, amazing soft coral cover, large variety of fish including schools of **Platax** and **Snappers** as well as **humpback Parrotfish**. Encircled by high cliffs, we will bring you to the **Hidden Lagoon**, where we can see and hear the birds before nightfall.
- Heading to South-East of Misool! These dive sites include **Boo Rocks** (two large rocky openings that completely pierce the island), **Fiabacet** and **Fantasea**. The density of fish and the explosion of colors make it breathtaking.
- Then, we set sail to **Pianemo** during the night.

Itinerary Day 10

- Our destination of the day is **Pianemo.**
- After breakfast, we will dive on the site of **Melissa's Garden**, famous for its variety and density of corals
- Then, we will dive on the site of **Galaxy**, a beautiful reef which houses abundant underwater life.
- In the afternoon, we will head to the island of Penemu for a short walk to a beautiful **viewpoint** in a star-shaped lagoon.

Itinerary Day 11, 12

- We will spend our next 2 days in **Dampier Strait** and the area around.
- First, we will bring you to our very first spot called **Blue River**.
- The **Blue River** at **Dampier** is a natural wonder, with its crystal blue waters.
- Some stand-out sites include **Blue Magic** and **Mike's Point**
- We will have the chance to dive with the giant **manta rays**, as majestic and impressive as they are.
- We will also visit the famous **Arborek Village** of Raja Ampat and it's local culture and people.

Itinerary Day 13

- We will arrive in **Sorong** and it's already time to say goodbye!
- We will have the opportunity to exchange our best photos and anecdotes of these few days spent together.
