TIARE

Raja Ampat, Banda Islands & Ambon

Sorong to Ambon | Misool, Koon and the Banda Islands

From the coral gardens of Raja Ampat across the Banda Sea, this route links two great dive regions.

Koon lies over a trench deeper than 3,000 metres, with large schools of black snapper, batfish, barracuda and fusiliers, and groupers and sharks in the deep.

In the Banda Islands the dives are deep walls, sea mounts and drifts where hammerhead sharks have been known to visit, plus a mandarin fish dive.

On land, Banda Neira has Dutch and English period houses, a fort with views over the water and a nutmeg plantation.
