

CARPE DIEM PHINISI

Central Raja Ampat

Waisai to Waisai | Dampier Strait, Piaynemo and Manta Sandy

Central Raja Ampat packs a lot into a short trip, with reef and oceanic manta rays, hunting sharks and abundant schools of fish.

A long ridge of colourful soft and hard corals and sea fans rises to large bommies with glassfish and wobbegong sharks.

Off a village on eastern Mansuar the corals are good and the water is full of fish schools, reef sharks, turtles and bumphead parrotfish.

Piaynemo adds reefs of hard and soft corals, with a hike to the viewpoint and time in the lagoon.
