

CARPE DIEM PHINISI

Central & South Raja Ampat

Sorong to Sorong | Dampier Strait, Piaynemo and Misool

Wobbegong sharks, pygmy seahorses, schools of sweetlips and bumphead parrotfish live on the signature reefs of the Dampier Strait.

Two morning dives at sites known for manta rays lead on to Piaynemo, with a hike to its famous viewpoint.

Then the boat sails south as the sun sets, to Misool and the reefs, lagoons and landmarks of south Raja Ampat.

Colourful soft corals, huge sea fans, schools of fish and maybe oceanic mantas fill the water there, with dolphins and whales to watch for on the way home.
