

DANCING WIND

Best Of Raja Ampat

Sorong to Sorong | Dampier Strait, Wayag, Piaynemo and Misool

This is Raja Ampat from north to south, finishing at one of the best manta cleaning stations in Indonesia and the karst lagoons of Misool.

Early on, the Dampier Strait is the best chance to see tasselled wobbegong sharks, with manta dives and a sunset dive by a jetty.

Further north a night dive at a jetty is a highlight, and Wayag has sharks and colourful reefs, with a trek up for the view and a shark lagoon at Fam Island.

In the south, snorkelling and diving around the Wayil Batan lagoon come with a visit to Love Lake and the Tomolol Caves.
